The Gardens

Whether your group is looking for a garden with peace and tranquility, or fun and action – you will find it all here at Trentham Gardens!

Bring your groups to the award-winning gardens to explore vast perennial plantings, Italian Gardens, Rivers of Grass and a Floral Labyrinth to captivate and exhilarate, bringing calm and well-being and a place to talk about! Stroll along the Capability Brown Lake or even take a boat trip (seasonal), finishing off or starting with delicious beverages and panoramic views from the glass fronted Tearooms or terrace.
